

Dear Sponsor/Donor,

The 11th Annual New Vision Community Rice Festival is nearly here. Now in its 11th year, the festival will grace the first weekend in September which is September 6-7, and we hope you are able to help make this event a success with your support.

WE ARE EXPECTING OVER 2000 PEOPLE THIS YEAR!

The event is sponsored by a New Vision Community Development Corporation. We are a nonprofit, 501©3 Corporation, chartered in the state of South Carolina and located in the rural area of Darlington County. We are in need of your support. Any products that you may see fit that could be used at the festival such as food, drinks, banners, or monetary donations to offset the cost of this worthwhile event would be greatly appreciated. You will be able to receive a letter from the organization for your tax purposes.

The proceeds from the festival will go to the New Vision Community Development Corporation. Many of our youth and elderly who live in the rural communities of our nation are restricted from many of the opportunities offered in the metropolitan areas; as a result they are not able to access those services which are designed for them. New Vision's desire is to provide opportunities for those in our community to participate in some of those services offered by soliciting funds and support from those who have a desire to partner in bringing positive change to all aspects of the community.

The parade will start at 10:00 am which will begin at the New Hopewell Missionary Baptist Church and end at the New Hopewell Outreach Center located at 1416 Bethlehem Road, Hartsville, SC. Other festivities throughout the day will include: Umbrella Parade, Car & Bike Show, High School Battle of the Bands, Rice Tasting, Horseback Riding, Labor Day Pole, Games and Vendors.

For more information, please contact Carolyn Hannah at 843-206-6357 or at Antonio McFarland at 843-453-7083.

We look forward to hearing from you as you help us make a difference in our community!
